

## **The Client**

Our Client is IBM and Microsoft Partner based at Edinburgh.

## **Job position filled**

To recruit candidates from local geographical location i.e., Central Scotland

- Sharepoint Developer / Consultant
- Sales Manager

## **Finding the Solution**

To complete the requirements, Tech-hiring used multiple sourcing strategies, incorporated industry research and targeted the potential candidates through social media.

- Advertise on leading newspaper and job boards to attract the best talent.
- Carried out in depth phone and face to face interview with the candidates.

As a result Tech-hiring successfully fulfilled the challenging requirements within the limited time span.

## **Client testimonials**

We have worked with Tech-Hiring on a number of recruitment projects over the last eighteen months. We have been pleased with the calibre of candidates that he has located and have recruited a number of candidates.

We continue to use Tech-hiring for our recruitment and would not hesitate to recommend their efficient and proactive services.
